In reply to your letter No.G.T.35 dated the 7th Instant, regarding the opening of two dispensaries in Chamundi Extension and in Narasimmaraja Mohalla during the current year, I have the honour to enclose herewith a statement of the initial and recurring cost involved in opening such dispensaries. In the case of these dispensaries, the Government bear the pay of the Sub Assistant Surgeon and the cost of Europe Medicines only, all the other items being borne by the Municipality and the District Board inthe same ratio as is being contributed for the existing dispensaries in the Mysore City limits, at present.

As regards the Government share being made available during the current year, I regret to note that no provision has been made in the current year's budget for opening any new dispensaries in the State, consequent onthe financial situation.

In the circumstances, if the Municipal Council would agree to meet the entire cost of these dispensaries- including the pay of the Sub Assistant Surgeon and cost of Europe Medicines - at least for this official year, and Government sanction is obtained accordingly, necessary action will be taken by this Department.
